

The world's most adaptable planning and performance management platform

Drive cross-organizational plans, react quickly to changes, and uncover what you didn't know was possible.

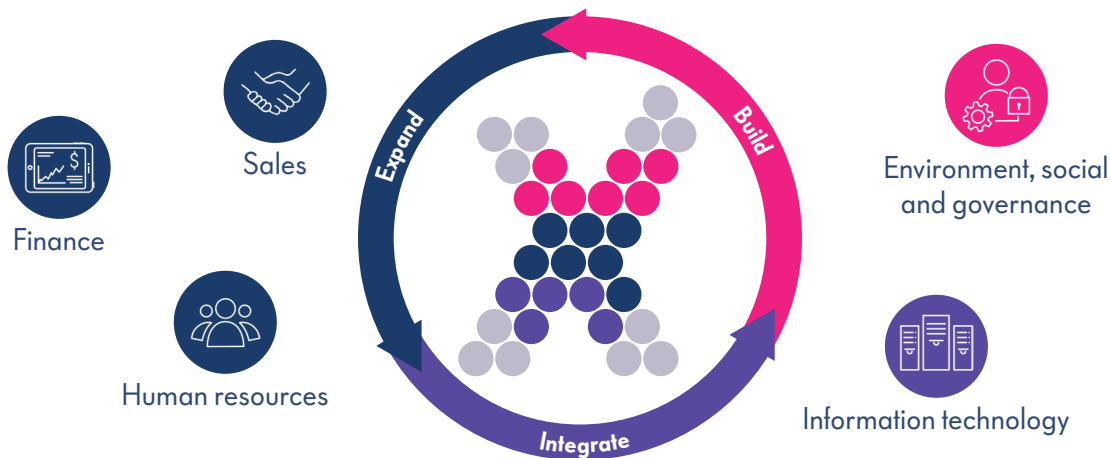

Why Jedox

Over 2,500 organizations in 140 countries trust Jedox to model any scenario, integrate data from any source, and simplify cross-organizational plans across all business systems. Jedox is consistently recognized along the three performance pillars below:

<p>Adaptable Model and plan unique environments</p>	<p>Integrated Build informative, holistic plans</p>	<p>Simple Reduce cycles, elevate data</p>
--	--	--

Unify plans across the organization for visibility that drives decisiveness

Jedox is a finance and business planning and performance platform that integrates all the data that matters into a unified platform. Built to integrate with any type of data, including finance, sales, product, and manufacturing, Jedox knocks down silos and delivers a holistic plan that drives decisive planning. Quickly grasp how sales operations, workforce plans and other cost activities impact the bottom line and make collaborative, real-time plan adjustments to meet corporate objectives.

The value Jedox delivers		
Achieve quick time-to-value through efficient implementation.	Plan for any business purpose, any environment, any situation.	Quickly reach productivity by working in a familiar Excel environment.
Drive decisions through practical artificial intelligence	Reduce planning cycles and automate rolling forecasts.	Cut time spent collecting data from across the organization.

Jedox seamlessly integrates enterprise applications for a unified solution

and more.
